## EVENTSPACE AT SALISBURY HOUSE

Located in a jewel among office buildings in the heart of the City, our Eventspace at Salisbury House offers elegant Grade II listed charm to put a touch of splendour to any event.

Salisbury House has been a feature of the City since 1898, when it became one of London's first purpose-built office buildings. Formerly home to gold and diamond traders and once used as a hospital, echoes of the building's former past are everywhere.

We've preserved the historic grandeur of this magnificent building while giving it a chic, elegant facelift, with fully integrated connectivity to ensure the success of your event.

**Our Eventspace at Salisbury House offers a grand, elegant solution for your event, providing a historic backdrop in the heart of the City. With high-speed connectivity and top of the line tech to ensure a memorable event.**

We've designed our Eventspace with total flexibility in mind, which means it can be adapted to suit your needs, from a theatre, to a boardroom, or even a banquet hall. Whatever your function, we can make it work.

Accessible via its own dedicated and decadently finished entrance on London Wall, every aspect of our Eventspace is designed to create a lasting impression among visitors.

The lounge area is central to the layout of the space, providing an ideal communal reception area, a meet and greet or networking lounge for your guests, or somewhere to serve lunch and refreshments.

A grand, elegant solution for your event

With its huge screens, our elegant and spacious main conference room Marquise is perfect for seminars, workshops or can double up as a private dining space. An additional room, Trillion, is separated off from the main conference room with a partition wall. This is ideal as a classroom, theatre or training space, or can be used to expand Marquise to host up to 160 people. Easily moveable furniture offers maximum flexibility with your layout.

Our smaller meeting rooms offer a more intimate space while retaining generous proportions. They can be booked separately, or included in our main Eventspace booking for larger functions. Designed for flexibility and functionality, they are ideal for team meetings, presentations and lectures.

Why not also book a smaller meeting room to compliment the larger conference spaces?

# MARQUISE & TRILLION COMBINED

We've created our Eventspace with flexibility in mind, enabling us to accommodate functions of all sizes. For larger events, we can expand the floor area, while our furniture can be easily rearranged to create the ideal environment for your needs. Floorspaces can also be adapted for catering and informal gatherings.

Adjoining rooms, Trillion and Marquise, can be opened to form one large room or be separated into two, depending on your group's preferences. From theatre to boardroom layouts, banquet dinners to classroom, we can create the perfect seating arrangement for your function.

## MARQUISE

The largest conference room in our Eventspace is designed to be swiftly adapted to your requirements, with easily moveable furniture and additional areas that can be partitioned off or opened out to enlarge the floor area. This provides exceptional flexibility for your event planning and can accommodate a wide range of functions.

Technology is fully integrated throughout this generous, elegant space, allowing your guests to enjoy high speed wi-fi and providing the opportunity for video conferencing and presentations on the huge screen with total confidence.

Dining is optional, and our lounge area can be used for serving food and refreshments.

A large skylight allows natural light to flood in and enhance the space.

## BOARDROOMS AND MEETING ROOMS

Why not also book a smaller meeting room to compliment the larger conference spaces?

Our meeting rooms offer an elegant, charming space for up to 16 people and are fully equipped with high-speed wi-fi and large screens for video conferencing. Bookable by the hour and available with a variety of add-on options according to your requirements, they offer an elegant, intimate location for your next meeting.

Created with your comfort in mind, every room features chairs you could sit in for hours and well-curated furnishings and calming colour schemes that immediately put you and your colleagues at ease.

Every room is individually styled to an extremely high level, providing a sense of ambience reminiscent of a boutique hotel or member's club, with soft lighting, plush carpets and in some externally-facing rooms, plenty of natural light.

Every meeting room is accessible from the communal area, with crittall glass feature walls providing a sound-proof partition while retaining a sense of space.

Full connectivity and options that include food and refreshments also mean we're able to meet most requests. Just speak to a member of the team.

## SUSTAINABILITY

**Driving forward our Environmental, Social and Governance agenda is a top priority for Workspace. As a long-term owner of historic properties across the city, we play a key role in the employment-led regeneration of areas all over London. We take seriously our responsibility to positively impact local communities, while reducing our impact on the environment.**

Climate change mitigation is a cornerstone of our ESG strategy. In recent years, we have made significant progress on decreasing greenhouse house emissions and we are now taking our climate ambitions one step further, with our commitment to be a net zero carbon business by 2030.

Workspace has played a key role in the employment-led regeneration of areas across London for over 30 years now, and building communities and improving our neighbourhoods over the long term is an important part of our business strategy.

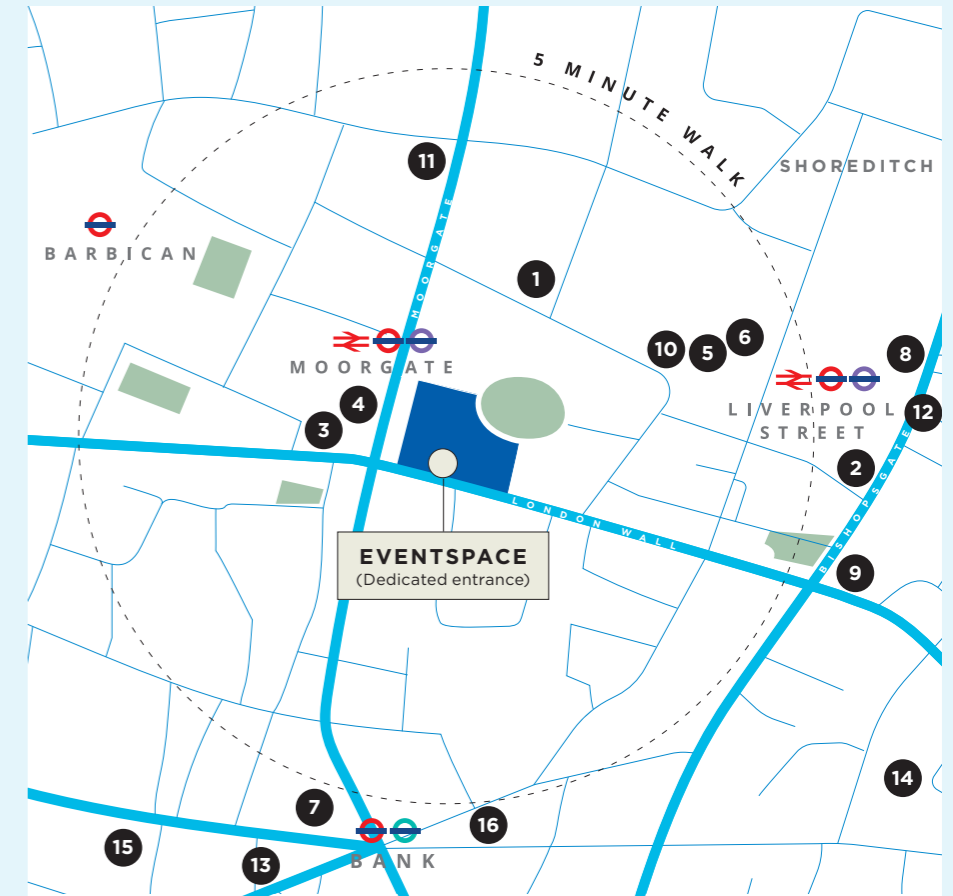

As well as bringing employment into emerging areas as we launch new or refurbished properties, we also go out into the local communities to offer employment-focused support to disadvantaged young people, such as careers workshops and work experience.

Supporting our employees, customers and suppliers is a key priority, and is more important than ever during uncertain times. From ensuring our centres remain open and safe, to hosting wellbeing webinars for employees and customers and committing to prompt payments for suppliers, we work hard to look after our people.

## HOW TO GET HERE

You'll find Eventspace at Salisbury House in Moorgate, at the heart of the City, London's bustling financial district. The building curves around the corner of Finsbury Circus and overlooks part of the historic London Wall. Access to the Eventspace is through its own dedicated entrance on London Wall.

We're a stone's throw from Moorgate tube station with access to the Elizabeth Line and only a few minutes walk from Liverpool Street Station.

### In the area

For networking and when you have time to explore, there are endless opportunities to socialise, shop and take in some of London's most historic buildings.
